EOS Implementation

LMA Training for Managers

4 hour session. Includes LMA Tools and 5 leadership abilities.

Quarterly Rollout to Mid Managers and Teams

4 hour session. We help roll out and facilitate rock building for each department. If we do multiple quarters, we can help with refining scorecard and L-10 assistance.

Process Building Workshop

6-8 hours session. Develop 10-20 processes to help your team develop all core processes in a fun, dynamic and team-building activity.

Fractional Integrator

Moderation of your L-10 team meetings by one of our experienced Integrators.

5 Dysfunctions of a Team Training for Departments

4 hour session. We bring Patrick Lencioni's proven concepts to building healthy teams in a practical way. Step into the danger and have the tough conversations your team needs to win together.

Team by Design Workshop

4 hour session. Uncover intrinsic strengths for each team member and gain tools to better understand people and team dynamics.

Integrator Mastermind Group

12 monthly meetings for Integrators to meet for 4 hours per month to IDS. Learn from each other on how to become better leaders and upskill on EOS.

Culture Index

Includes 3 people trained in the tool (2-day training) and unlimited assessments for 1 year.

Unlocking Individual Purpose and Values

8 hour session. This workshop activates strengths and values, uncovers your purpose through stories, themes, and patterns, and learn how to master your message through your vision and mission. Learn more with this video <https://www.youtube.com/watch?v=e2F7WWg0ELk>

360 Review

As leaders, many times we don't get feedback from others. This program interviews 7 people in your 360 (could include family, friends, colleagues, employees, past managers, etc.) by our trained specialist, and the outcome is a powerful feedback to leverage your strengths as a leader and person.

Individual Performance Coaching

For leaders, managers or specific roles.
